Teaching School Alliance  
“Teaching the Future Today”

Designed by OLEVI and facilitated by experienced school leaders and teachers, the Outstanding Teacher Programme (OTP) gives good and outstanding teachers a set of high level skills and strategies that enable them to become consistently and sustainably outstanding.

**The course provides teachers with:**

- the ability to demonstrate higher level understanding of teaching and improve learning for their pupils
- the ability to coach colleagues and pupils in their own school and in other schools to raise performance levels
- the ability to create a proactive school culture where the quality of teaching and learning is openly observed, discussed, challenged and enhanced increased professional satisfaction and create opportunities for further leadership and career progression

**The programme is facilitated over a ten week period and consists of two full days, five half day sessions, plus three sessions of in-school practice where peer planning and observation can take place.**
